Brussels,

Subject: **Council's position in view of the adoption of the Decision of the European Parliament and of the Council establishing the first radio spectrum policy programme - Early second reading agreement**

Dear Mrs Ostrzyniewska,

I understand that at its meeting of 28 October 2011 COREPER decided to accept the result of the last informal trilogue held on 24 October 2011 in the European Parliament regarding the abovementioned Decision.

I would like to inform you that should the Council transmit formally to the Parliament its position in the form as it stands in the annex, I will, in my capacity as Chair of the Committee on Industry, Research and Energy recommend to the Plenary that the Council's position be accepted without amendment, subject to legal-linguistic verification, at Parliament's second reading.

At the same time, I would like to thank the Polish Presidency for the efforts made and the work accomplished to achieve an early second reading agreement on this file.

Yours sincerely,

Herbert REUL
